

Architectural and Facility Drawings Various Locations of the Louisiana National Guard

Accession number: 2020.025

Location: Jackson Barracks Museum

Description: 10 Drawing-sized drawers 1 rolled bundle

Arranged and described by: Harold Wilson, Volunteer
Beverly Boyko, Collections Manager

Scope and Content

1900s-2019

The collection contains architectural and facilities drawings for various Louisiana National Guard properties. The majority of the drawings are of buildings on Jackson Barracks. Other drawings include details for: Camp Beauregard, New Orleans Lakefront Airport, Camp Villere, Ryan Airport, Baton Rouge Airport, and others. Some drawers also include camp maps and meeting/display story boards.

Historical Background

These drawing represent various new construction and modification to buildings and services to various Louisiana National Guard facilities. The majority of the drawings were required for modifications to various individual buildings and or modification to various groups of buildings. Examples include re-roofing projects.

Some notable drawing sets include:

- Jackson Barracks, WPA project, Circa 1930's
- Jackson Barracks, Port of Embarkation, 1944 - 1946
- N.O. Lakefront airport 122nd Squadron Bldg.

Location:
